

Softball Ontario's CANpitch Pilot Sessions are a HUGE Success!

Softball Ontario is proud to announce the success of nine (9) CANpitch pilot sessions currently being held throughout Ontario. Softball Ontario currently has over 150 participants learning the new CANpitch curriculum from our trained Instructors and Softball Ontario hopes that all of these participants will leave the 6-week training program with the correct movements and confidence to pitch this summer!

The fees for late spring CANpitch sign up is \$50.00 (plus gst) for FUNdamentals and \$105.00 (plus gst) for Learn to Train, which can be 1 or 2 times per week of instruction!

Please visit the Softball Ontario website (www.softballontario.ca) for more CANpitch information and to print off a **Bid Application Form**
