Nominations (and supporting resume) must be received annually in the Office of the OASA Secretary by September 15.

2021 F. R. Feaver Memorial Trophy

Our recipient this year has been around softball most of his life; starting in the game as a player and then moving on to become a coach, executive and mentor to the youth who are following in his footsteps.

He played ball for more than 25 years and successfully competed at the Intermediate and Senior Men's level in Ontario and the United States. His achievements include four Ontario Championships, seven ISC Qualifier Championships, and participation in four ISC World Tournaments.

He was instrumental in organizing and taking part in the OASA Springboard Clinics and as a CANpitch instructor, all in the interest of helping young players develop their skills. His passion is to see that every player under his directive succeeds and reaches the highest level they can.

As a coach he has been to the Canadians 5 times in five years, winning the Canadian Jr. Men's title twice; in 2002 and again in 2003. In 2009 he was the Assistant Coach with Team Ontario 19 and under and his team won the Gold Medal in the North American Championship. In 2012 and 2014 he was the Pitching Coach for Team Canada's Junior Men's National Team. He was the Head Coach of Team Ontario from 2013 to 2017 when they won gold at the Canada Summer Games. In 2019 he received the OASA Gil Read Coaches Award.

Our recipient this year is also a Past President of the OASA and has sat on just about every committee in the OASA learning from the ground up.

The Feaver Committee is happy to announce George Ryder as our 2021 recipient.

Scholarship Recipients 2021

The Ontario Amateur Softball Association is pleased to recognize its 2020 Scholarship recipients. The OASA has set up a fund to receive donations that are used exclusively to recognize U19 or U23 players who have demonstrated a combination of athletic performance, academic proficiency and community service. Donations can be made at any time by sending a cheque, made payable to the OASA Scholarship Fund, to the OASA Treasurer. The following three athletes were chosen to receive a scholarship of \$1000 each:

Robbie Barker

Rob is at Trent University studying Criminology after graduating from Napanee District Secondary School. He has had success playing ball in the Napanee organization and especially this past season with the Express U19 winning Gold at the Eastern Canadian Championship. His long-time coach, Cory Brooks, says that Rob is a force at the plate and has worked hard to have the success he is having. Rob had a key at bat at the Eastern Canadians described by his coach: while down by 5 runs in the 7th inning, with 2 runners out and the bases loaded, Rob hit a grand slam giving the team the opportunity to win the game in extra innings. Rob is a proud member of Team Ontario and will be competing next summer at the Canada Summer Games in Grimsby.

Tie Foster

Tie is attending McMaster University studying Health Sciences. He received the President's Entrance Scholarship with his acceptance to university and completed his first year with a 4.0 grade point average. He attended Denis Morris Catholic Secondary where he was a four-year honour roll student maintaining an overall 95% average, graduating grade 12 with an average of 97%. At high school he competed in speech competitions and the Waterloo Math Competition; he was a math tutor; and he won the Science Olympics in 2019. Tie's physics teacher had high praises and said "he will continue to flourish and succeed throughout his academic career." Tie was a member of the Jordan U19 team this past season while also playing on a competitive team in the Golden Horseshoe League. Tie's coach had high praises and said he likes "his willingness to help in the community teaching swimming, coaching softball and coaching skating." He also commented that "Tie is the type of player you hope every athlete will aspire to be. He is very dedicated to not only himself, but to helping others reach their full potential too." Tie is a member of MENSA Canada.

Tyler Franklin

Tyler is currently attending Wilfrid Laurier University working on a dual Degree in Business Administration and Financial Math. He attended Norwell District Secondary School in Palmerston where he played for the high school hockey team that had great success at CWOSSA. In addition, he was part of multiple OMHA championship teams throughout his career. Tyler is involved in the community as a volunteer and he is proud to have been involved as a participant and volunteer with his family in the Terry Fox Run for several years. He has also given back to his community by assisting in coaching local minor hockey. Tyler has had great success playing softball, winning multiple Canadian and Eastern Canadian Championships with Palmerston and Napanee. Most recently, this past season he won Gold at the Eastern Canadians in New Brunswick with Napanee. Tyler's coach praised him on his leadership skills and commented that he is a student of the game and carries himself professionally. He said Tyler is a "wonderful example of an athlete who works hard at his sport, and at school and is successful because of his hard work and dedication."
