F. R. Feaver Committee 2023

Awards Chair Adam Brown

Feaver Award Committee Chair.... Stephen Hohl

Nominations (and supporting resume) must be received annually in the Office of the OASA Secretary by September 15.

2023 F. R. Feaver Memorial Trophy

The 2023 recipient of the F. R. Feaver Award, Karen Mills, joined Softball Napanee as a coaching member in 1997 when she started a Squirt Girls' team. She was the force behind expanding girls' softball in Napanee going forward. She was on the coaching staff of the first girls' team from Napanee to win a provincial championship in 2004.

Karen was a part of the Host Committee for the 2002 Midget Boys' Canadian Championship in Napanee and joined the Softball Napanee Executive the following year. Since then, she has been a driving force behind the organization. She has pushed the organization to be a leader, hosting PWSA and OASA qualifying and provincial events each year. She helped to lead the organization when they hosted U23 and U21 Men's Canadian Championships in 2011 and 2015, followed by the U19 and U20 in 2018, 2022 and 2023. She is still on the Executive of Softball Napanee which had eleven affiliated OASA teams and six affiliated PWSA teams in 2023.

Along with her work as an Executive member with Softball Napanee she coached PWSA teams for eleven years, winning two provincial championships, and managed three boys' teams at Canadian Championships.

Each year for 10 years, Karen put in countless hours in organizing and preparing for Softball Napanee's major fundraising event, the Canada Day Duck Race. This event allowed the organization to minimize the costs of playing softball for boys and girls in the community and reduced the financial burden on teams who were travelling to Eastern Canadian or Canadian Championships.

Since 2006, she has been serving on the OASA Minor Committee. She began scheduling provincial tournaments at that time. In 2010, she became the OASA Rulebook Coordinator. She expanded her role to a formal Executive position in 2013 when she was appointed Secretary. She has also served on several Softball Ontario committees.

In 2015, Karen took her skills to the Pan Am Games in Ajax where she served as an official scorekeeper for the Men's softball event. In 2022, she was an official softball scorekeeper at the Canada Summer Games.

Karen is a certified Softball Coach, certified Basketball Coach and a certified Softball Scorekeeper. She was the founder of the ladies and coed volleyball leagues in Napanee in 1991 as well as an adult coed three pitch league which continue to operate today. She is also a member of the Napanee Curling Club.

2023 Gil Read Coach Award
by Mary Myers at the 2024 AGM**

Kevin had a very successful 2023 season leading the Tavistock Merchants U23 Men to provincial gold in Grafton, ON as well as gold at the Canadian Championship in Saskatoon, SK. Later in the 2023 season, Kevin also coached the Toronto Batmen Senior Men's team to a gold medal at the Canadian Championships in Surrey, BC.

His assistant coach in Tavistock, Gary Baker, wrote: "Kevin enjoys working with players of all ages and abilities. He has an excellent rapport with his players and his ability to communicate with them means he always knows what is going on. In addition, Kevin is very good at recognizing the strengths and weaknesses of each player. He uses this knowledge to get the best out of his players, so they succeed individually and as a team."

Cody Skelton from the Toronto Batmen noted: "Kevin joined our team at the Senior Men's Canadian championships. He has a great understanding of the rules and made key changes for our team. From the moment he stepped on the field he was a leader of our team. Kevin calmed the team down in big moments and gave us confidence when we were down. He showed great respect for our team, our fans and sponsors. Coach Kevin would speak to individual players during big moments and would sit down with other players if he saw something they might need help with, he talked with players and gave confidence if a player was struggling."

Kevin has also been part of the executive of Tavistock Minor Ball Association and North Waterloo Rural Minor League, both of which have been instrumental in promoting and developing the sport to the level it is today in the Tavistock region.

Kevin's previous medals include:

 - v) No team is required to pay additional fees or amounts to the Host at the time of the tournament.
- f) **Player Selections (Pick-Ups)**
 - i) Teams qualifying for a Canadian Championship are allowed to add to their roster a maximum of three (3) players provided they have space on their roster. A player does not have to play in the Elimination Tournament to be eligible for pick-up, but must be registered on an Ontario certificate. The winning team will select their first player; followed by the other teams in order of qualifying finish. Once all teams have made their first player selection, the second round begins with the first place team selecting their second player. The third round begins with the first place team selecting their third player. Each player selection should be made within a 24 hour period. Once all teams have made their three (3) selections, the names will be submitted to the Registrar for completion of the Softball Canada rosters.
 - ii) Teams qualifying for an Eastern or Western Canadian Championship are allowed to add to their roster a maximum of two (2) players selected from teams that did not qualify for a Canadian Championship, provided they have space on their roster. After the teams qualifying for the Canadian Championship have made all of their player selections, teams qualifying for the Eastern or Western Canadian Championship will begin their first round of selections, following the same process as in i) above. Once all teams have made their two (2) player selections, the names will be submitted to the Registrar for completion of the championship rosters.
 - iii) A player who is picked up to go to a Canadian Championship is still eligible to play for the player's own team that qualified for the Eastern or Western Canadian Championship. A player who is picked up to go to a Western Canadian Championship is still eligible to play for the player's own team that qualified for the Eastern Canadian Championship. A player who is picked up to go to an Eastern Canadian Championship is still eligible to play for the player's own

- team that qualified for the Western Canadian Championship. A player is not eligible to be picked up to play in the Eastern and the Western Canadian Championships in the same year, if the player's team did not qualify for one of these championships.
- iv) A player registered on a roster who is playing up a classification is only eligible to be picked up by the team with which the player qualified. The player does not count as one of the pick-ups for that team, provided the number of players on that team's certificate is no more than 12 players or less, including the player(s) being added (subject to approval from OASA Residency Committee). If the player's team does not qualify for the Championship, the player is eligible to be picked up by another team. A player who is picked up for a higher classification must fulfil the obligations to the team with which the player was originally registered.
 - v) A player who turns down a team is no longer eligible to be a pick-up for any other team within the same classification going to a Canadian, Eastern Canadian, or Western Canadian Championship. A team will report to the Tournament Director the name of any player who declines to be picked up and the Tournament Director will notify the other teams of the player's ineligibility.
 - vi) In the Masters and Senior divisions, when teams are predetermined to attend a Canadian Championship, but a provincial tournament is still held in that division, teams are permitted to add up to three players to their Canadian Championship player list prior to the Provincial tournament. In the case of predetermined Canadian Championship teams, the pick-up process is not used.
