Player Selections (Pick-Ups)

- i) Teams qualifying for a Canadian Championship are allowed to add to their roster a maximum of three (3) players selected from teams that did not qualify, provided they have space on their roster. The winning team will select their first player; followed by the other teams in order of qualifying finish. Once all teams have made their first player selection, the second round begins with the first place team selecting their second player. The third round begins with the first place team selecting their third player. Each player selection should be made within a 24 hour period. Once all teams have made their three (3) selections, the names will be submitted to the Registrar for completion of the Softball Canada rosters.

The pickup process will start no later than the Wednesday after the OASA Elimination tournament. If all the Softball Canada Tournament Entry Fees have been received the pickup process will begin immediately. As of the Wednesday following the tournament, if the Softball Canada Tournament Entry Fee has not been received or proof of cheque in mail (picture of cheque emailed to the Treasurer) the team will be skipped in the pickup process. Once payment is received the team will join the regular schedule of pickups. The skipped pick(s) will be made at the end of the pickup process.
